COMMENTS AND RECOMMENDATIONS:

IV - J - Found much unsalvageable solid waste and metal scattered over the premises.

Some was salvageable but not processed as yet.

Recommendations are as follows:

1. Separate salvageable material from unsalvageable materials.
2. Pile neatly all salvageable materials until it is moved out and processed.
3. Bury all unsalvageable materials that is strown about the premises and be careful to compact well and provide adequate cover.

Time Limit - 30 days
